anything that fits inside this tube

Tube Instructions

1. Cut out the play shape.
2. Decorate it if you wish with crayons, highlighter markers, or watercolor paints.
3. Wrap it around an empty toilet paper tube.
4. Tape it on.
5. Use it to see if toys are too large for young children under the age of 3. If a toy fits inside the tube, it's too small and unsafe for a young child to have.
